Caesar for Sight Reading

By Towle and Jenks

CLOTH 40

This book includes the most interesting portions of Caesar, and is so carefully edited that the class which has been well drilled on the first two books of the Gallic War will be able to read this readily and with pleasure. Special stress is laid on acquiring a vocabulary.

HALE'S FIRST LATIN BOOK

Cloth, \$1.00

The book treats Latin as a living, growing, and changing language. It is this point of view that makes it appeal so strongly to the interest of the pupils. A knowledge of English Grammar is not taken for granted. Principles which are common to all languages are first presented. The order of the words is the Latin order from the opening sentence. Every new word is used immediately in at least two lessons. This feature of repetition and emphasis is found in no other First Latin Book. Pronouns follow one another in the order of their deviation from the normal type.

COLLAR AND DANIELL'S FIRST YEAR LATIN

has come quite up to my expectations. It is well-graded, permitting of rapid advancement without any sacrifice of thoroughness. In my opinion it is well worthy of a place in the Collar and Daniell Series, which is made up of books that have no superiors in their respective fields.

"A Latin Grammar," by PROFESSOR H. E. BURTON, of Dartmouth College, is the best grammar for both secondary schools and colleges on the market to-day:

In it Latin seems more like a living language than in any other grammar.

Its treatment of the formation of words under the separate parts of speech is clear and logical.

It has a most effective method of showing the relative importance of the facts stated.
